Sports Programs

Dear Parent/Guardian,

The Broadalbin Youth Commission sports programs are designed to benefit our community. Therefore, a set of conduct rules has been established to insure a smooth flowing program. The following offenses will be dealt with by a warning given to the person or persons involved:

1. offensive language or gestures
2. verbal abuse
3. smoking on school grounds
4. unsportsman like conduct
5. verbal abuse towards umpires, referees, players or coaches

If any of the offenses occur a second time, the person or persons involved will be asked to leave the premises.

Physical assault will result in immediate contact of the local police department and a one-year suspension from all youth commission activities for the child/children of the parent/parents involved.

The purpose of our program is to provide a healthy recreational and educational resource for our children. Our children tend to model themselves after the adults they are around, so be a positive influence!!! We all want our children to be successful.

Thank you for understanding and cooperating in this matter.

BYC Director: Louis Magliocca
